Thank you so much to all of you who joined us for Harvest Festival this morning. It was lovely to see you all there and the children really appreciate your support. For those of you who couldn't make it, there will be photographs appearing on the website over half term so keep an eye out! Well done to all of the children who sat beautifully, spoke confidently and sang their hearts out! I was so impressed, particularly with their attitude to the performance which was excellent as always. Thank you to all the teachers and TAs who did lots of work behind the scenes getting everything ready (I really didn't have to do anything at all!). And thank you to the church for providing a fantastic venue, it makes the children feel very special to be performing out in the community.

School council chose to support the Indonesian Tsunami Appeal this year and they did their own research so that they could tell you all about it as it was a cause that they felt passionately about. I am very pleased to say that after some very tricky maths they managed to count the money and altogether we raised a grand total of **£158.96!** They were over the moon, so thank you very much for all your kind donations.

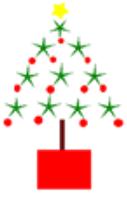

Monday 29th and Tuesday 30th October are INSET days and so the children return to school on Wednesday 31st October. Have a wonderful half term holiday!

Please note that coding club and netball club will not take place on Thursday 1st November as all clubs will begin again in the first full week back, which is the week commencing Monday 5th November. They will then continue each week until the last week of clubs this term, which is week commencing December 3rd.

After the half term holiday, could all children in Class 1 bring in a spare pair of wellies for use in the outside area each day, particularly the mud kitchen as this can get really messy! They will be stored in school so that they have them each day when they need them. Thank you.

Friends of Whiteshill School

A reminder that we will be holding a Festive Fayre as part of our Christmas celebrations this year. It will take place on Friday 7th December from 2.15pm onwards. We are looking for anyone who may be interested in hosting a stall at the fayre selling arts and crafts or gifts for Christmas. There will be a small cost involved to raise money for the school. If you think that this is something you would be interested in or if you know anyone that would be, please speak to a member of FOWS or let the school office know.

Finally, a sample of some photos from Harvest Festival this morning...
