Citizens – never fear! These helpful heroes are watching over the city.

Armed with their spectacular superpowers, they are always on hand (or wing!) to swoop in and save the day.

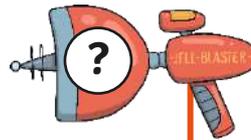

A call for help comes in on the Pigeon Pad. There's trouble in the city. The citizens are preparing for the annual ice cream festival but everyone is getting covered in jelly!

"I know just who would create such a sticky situation," says Patcho. "It must be my nemesis..."

All over the city, people are being splattered with high-speed balls of sticky jelly. So much hard work has gone into preparing the festival and now, it is being ruined.

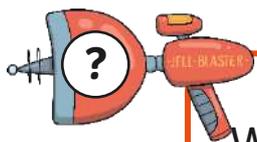

"Not so fast, Dr Jelly!" shouts Patcho.

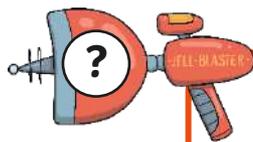

"Coo!" adds Pigeon.

"You'll never stop me!" laughs Dr Jelly.

"You'll never stop me!" echoes Parrot.

What special event is Dr Jelly ruining?

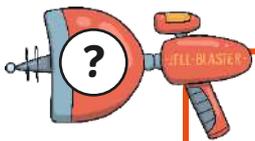

Why does Parrot say the same thing as Dr Jelly?

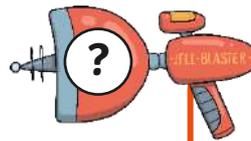

She engages the Jell-Iminator and uses it to slurp up all of the jelly...

...until the citizens are free from their jelly jails and the streets are sparkling clean once more. Now, everything is ready for the ice cream festival.

How do Patcho and Pigeon stop Dr Jelly?

What does the 'Jell-Iminator' do?

"Nice try!" says Dr Jelly. "But your feathered sidekick isn't the only genius around here. Parrot, peck!"

PECK!  
PECK

The crooked criminals escape and Dr Jelly starts to make her biggest ball of jelly yet. "Jell-ivery for Patcho and Pigeon!" sneers Dr Jelly.

"Don't do it!" shouts Patcho.

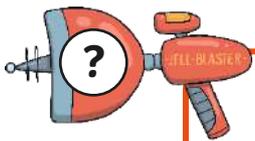

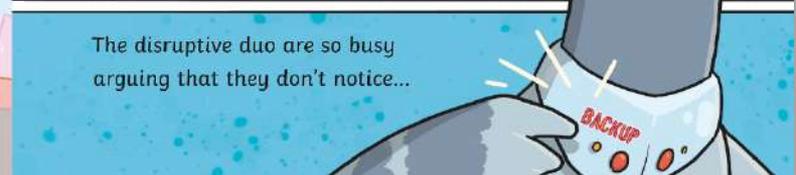

"Don't do it!" repeats Parrot.

"Parrot, you're supposed to be on **my** side!" shouts Dr Jelly.

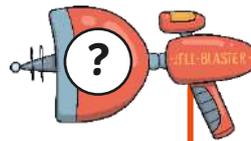

"Supposed to be on my side," echoes Parrot.

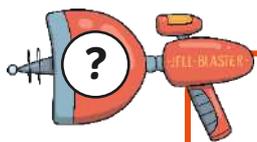

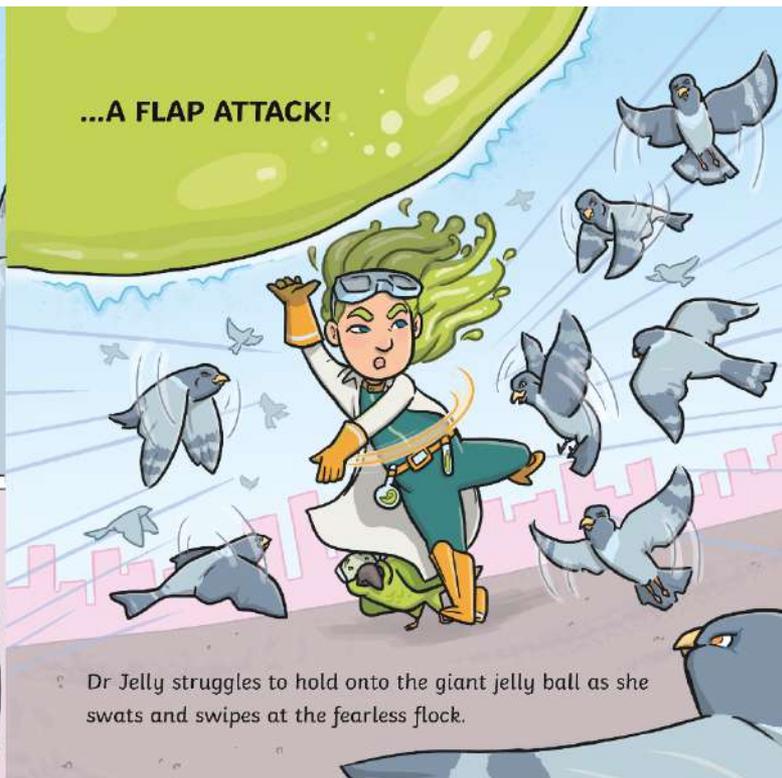

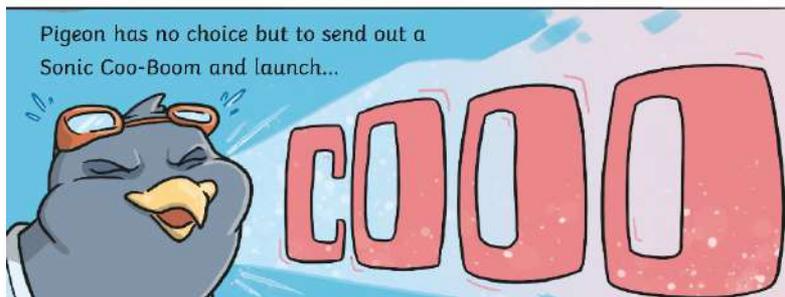

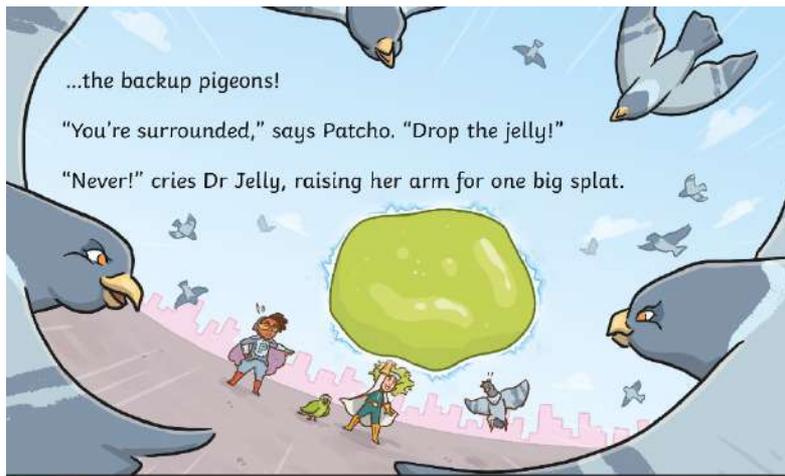

The disruptive duo are so busy arguing that they don't notice...

The mighty mass starts to bounce away, gathering speed as it hurtles towards the centre of the ice cream festival. Terrified people flee in panic.

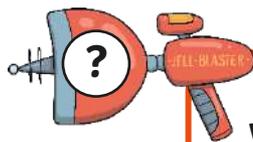

Quick as a flash, Patcho and Pigeon fly after the jelly and use their Brain Beams to try and stop it.

"It's not going to stop in time!" shouts Patcho.

Why are people terrified?

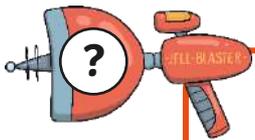

What do you think might happen next?

...fire!" Patcho and Pigeon blast the jelly just in time.

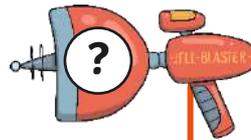

"Hahaha!" cackles Dr Jelly. "You may have stopped the ball but you won't stop me! In fact, you've actually helped me! Jelly is everywhere and the festival is ruined!"

Suddenly, a voice comes from the crowd. "Mmmm, yummy!" says a boy, licking his jelly-covered ice cream.

Which verb on this page means 'laughs'?

Has the jelly ruined the ice cream festival?

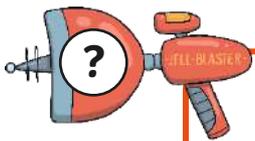

"Actually, I think jelly is the perfect addition to the ice cream festival," says Patcho.

Pigeon coos.

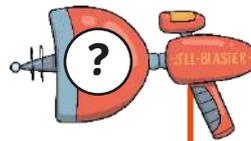

"Haha! Good one, Pigeon! It certainly is jell-icious!" agrees Patcho.

"Jell-icious!" echoes Parrot.

"Be quiet, Parrot!" Dr Jelly cries as she stomps back to her secret lair. "I'll get you next time, Patcho and Pigeon!"
