

2.3.21

WALT: To be able to plan a set of instructions to make a Celtic roundhouse (an invention in history)

Checklist:

You must include:

- Imperative verbs (or called bossy verbs) to 'boss' the reader around! - **get your word maps out to help you.**
- Conjunctions, prepositions and adverbs to show time, place and cause – **again get your word maps out to help you.**
- Extra tips and advice may be given to the reader for especially tricky parts of a task.
- Pictures or diagrams can be used to show the reader how they should put that part together.

We will use conjunctions when we write in full sentences by the end of the week, as this is a plan, we do not need to add them in at the moment.
