The Warm Welcome Campaign exists to support and champion the community response to the cost-of-living crisis. The organisation works with partners so that they are equipped to provide a warm welcoming space to those that may need it this winter. Please click the link below to find a warm welcome space in your area or to register your own space. [Find a Warm Welcome Space Today](#)

## Warm Welcome Spaces

Warm Welcome Spaces come in all different shapes and sizes, from a homework club in a local church on a Tuesday, to over an over 65s community centre drop-in on a Wednesday and library co-working desk open all weekend.

**Free**

Warm Welcome spaces will be free to enter.

**Warm**

Warm Welcome spaces are heated and able to provide basic refreshments such as tea/coffee.

**Welcoming**

Warm Welcome spaces are inclusive, non-judgmental spaces where everyone can expect a warm welcome from staff and volunteers.

**Safe**

Every organisation setting up a Warm Welcome space will abide by their usual safeguarding policies and hygiene rules. Organisations will make basic signposting information available to people who need further support and help.
