We are Geographers...

England

Scotland

Wales

Union Jack

We are curious, we are unique, we are together, we are Whiteshill!

Human feature – parts of the landscape made or built by humans.

Physical feature – parts of the landscape on earth naturally.

Settlement - a place which has been uninhabited, where people start to live together.

Human geography – the impact of people on the natural world.

Physical geography – the natural processes of the Earth.

Characteristics – the things that make a place different to others – can be both physical and human.
