

We are Artists...

Mixed Media

We are curious, we are unique, we are together, we are Whiteshill!

Wittgenstein in New York

Bash

Sir Eduardo Paolozzi

Words to talk about art

Impact – a strong effect on something.

Emotion – a strong feeling

Movement – a change or development

Purpose or Meaning – a reason for doing something.

Theme – the big idea or message of the art.

Content – what is included in the art.

Process – how a piece of art was put together.

Influence – to change something in an important way.

Original – not been done before.

Vocabulary

Refining – make minor changes over and over to improve something.

Colour Palette – the colours an artist uses.

Mixed media art – artworks composed of more than one material.

Creating Space

Overlapping – putting shapes in front of one another

Height – how far up the piece of art a shape is

Size – how big a shape is compared to other shapes

Positive space – the focus of the art

Negative space – the background of the art

Elements of Art

Colour – how we describe the way our eyes see light.

Pattern - a repeated, decorative design.

Texture – what something feels like in real life e.g. brushstrokes on a painting, rough or smooth clay.

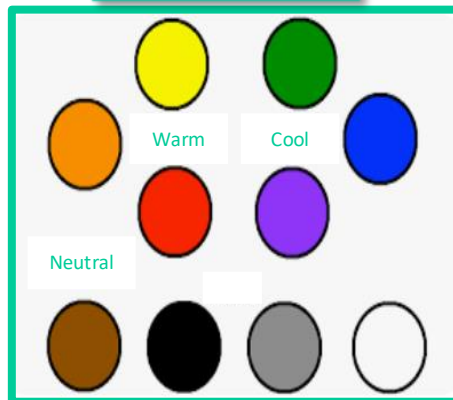

Line – a mark made on a surface that joins different points.

Space – the area around or inside a shape.

Shape – a 2D area.

Form - an element of art which is 3-dimensional and has height, width and depth.

Colour Families

Contrasting colours are opposite.
